Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas we serve as an activity in support of your unit Educational Services Officer (ESO), you are encouraged to seek assistance from your local ESO in your academic endeavors. The following information is provided to help you understand what is presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary assessment of how your prior learning experiences might fit into the specified degree program for this academic institution. If you choose to pursue this degree option, you must present it to a college representative, who will review it for the following:

- o Accurate representation of the college's degree program requirements, including course numbers and titles, credit hours for each course, lower- and upper-level course requirements, and the total number of credits needed for the degree.
- o Appropriate assignment of ACE Guide-recommended credit at the lower or upper level for military service schools and occupations, CLEP, DSST, and other tests, transfer credit for courses from other colleges and universities, certification programs, etc.
- o Appropriate assignment of SOC Course Category Codes from the SOC Handbook Transferability Tables. The SOC Degree Program Handbooks can be obtained from the SOC web site at: [www.soc.aascu.org](http://www.soc.aascu.org) should you wish to learn more about the course transfer guarantees among SOC network institutions.

The Degree Plan may be used by the college to prepare an official SOC Student Agreement which, when signed by a college official, becomes a contract for degree completion between you and the college.

Credit for all courses you have taken must be reflected on official transcripts sent directly to this college from the administrative offices of the colleges you previously attended. This degree plan is often used for information purposes by college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution - at least 75% of the degree. As such, credit from

local colleges, college level examination programs, or advanced military training may be applied to this degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the Education Center) or through distance delivery of the courses. If you have questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

#### DEGREE PLAN LEGEND:

sh = semester hours  
VOC = Vocational, not relative to an academic degree  
LL = Lower Level, i.e. courses at the Freshman/Sophomore level  
UL = Upper Level, i.e. courses at the Junior/Senior level  
GL = Graduate Level (sometimes recommended by ACE for very complex courses)  
[#] such as [Y24] or [Y124] = SOC Course Category Codes\*  
{#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes \*\*

\* SOC Course Category Codes: Servicemembers Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. On some courses there are academic codes beside a subject, such as [Y24] or [Y124] for English Composition; these are simply used by counselors at the college to determine SOC Network courses that may fill the requirement. These courses may be found in the SOC Handbooks at <http://www.soc.aascu.org/>

\*\* DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in at least 75% of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit [http://www.dantes.doded.mil/dantes\\_web/distancelearning/disc/front/cont.htm](http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm) Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

#### Saint Leo University (SLU) General Information

SLU's rich history dates back to their founding in 1889. As the oldest Catholic institution of higher education in Florida, their Benedictine values of Excellence, Community, Respect, Personal Development, Responsible Stewardship and Integrity are the cornerstones of academic and student life at Saint Leo University.

A private, liberal arts university nestled in the rolling hills of west central Florida, Saint Leo University students enjoy an average class size of 14.1 with 24 undergraduate majors and specializations and two graduate programs: a masters in educational leadership; a one-year, full-time MBA program and a two-year, weekend MBA program for working professionals.

Saint Leo University is the sixth largest provider of education in the military. Through the School for Continuing Education, Saint Leo operates 13 centers throughout the Southeast (Florida, Georgia, Virginia, South Carolina and Texas) serving the needs of adult students as they balance the demands of careers and families. Many of these centers serve military communities and in Base or Post Education Centers. Through the Center for Online Learning, Saint Leo students may earn an associate's or bachelor's degree completely online, making Saint Leo a truly global community.

You may earn your accredited associate's or bachelor's degree by electing one of Saint Leo University's online degree programs and satisfying all degree requirements. SLU is one of the largest online undergraduate degree programs in the nation and is ranked first among Catholic colleges and universities in terms of bachelor's degrees awarded in business!

The online Bachelor's degrees require the completion of 120 academic credit hours for graduation. Students must have 30 hours "in residence" with SLU. A total of 90 semester hours of transfer credit from other colleges, military credit recommended by ACE, or college level testing credit may be accepted by SLU. Courses with grades of "D" are accepted in transfer, as long as the overall GPA is 2.0 or greater. At least 30 semester hours must be UL.

You can enroll in Saint Leo University's Center for Online Learning at anytime and begin your studies six convenient times during the year. Each course is presented in 8 week terms and provides 3 credit hours. As long as you meet the prerequisites, you may take your courses in any order. Upon successful completion of SLU's academic requirements, you will receive your Bachelor's degree. You can be assured, it is the same degree received by your on-campus counterparts.

SLU is a member of the University Alliance consortium of colleges and universities for delivery of distance degrees in many of these subjects. Also, SLU is one of the most sought after schools offering degrees through the active duty Army's new educational venture, eArmyU.
